

Deep FREEZER (300 liters, White & Green)

- Least power consumption in its class, saves upto 53% of electricity
- Longest hold over in its class, 90mm high density PUF
- Retain the temperature for 6 to 8 hours after power cut
- Flexi temperature range
- Enhanced compressor Life

Technical Details

Brand	Rockwell Industries Ltd.
Model	GFR300
Energy Efficiency	4 Star
Capacity	300 Liters
Freezer Capacity	300 Liters
Temperature Rating	****
Installation Type	Free-standing
Part Number	GFR300
Form Factor	Standard Single door
Colour	White & Green
Access Location	Top Loader
Wattage	250.00
Defrost System	Frost Free
