EN 60335-2-24

ISO/IEC 17025

BS 4376-2:1996

## WEIBER Advantage

Industry presence of more than two decades.

Multiple Service Locations in India with dedicate team of well-trained engineers.

State of the art manufacturing facility with In-house research and testing facility.

Catering to 600 plus institutions in India and Abroad.

Successful representation in more than 37 countries.

Leading Technocrats and Scientist on advisory panel.

All products can be customized to suit personalized research requirements.
