

Laboratory analytical balance Rated load:-
1-1000gm x 0.01gm or 1-500 gm x 10mh

- 100 Laboratory analytical balance
- Rated load:(digital Accuracy:- 0.01gm
- Display type:- LCD
- Power supply:- 220v power adaptor

Precision Weighing Scale (LCD Display)

LCD Built in Battery Back up,
Power adaptor with cells Battery backup

Gram, Weighing

A 1-1000hm x 10mg

B 1-500gm x 10mg

Modle better than mentioned will be supplier
latest due to Technical details and pic may vary as shown above
